# FORMULA K

Drivers, start your engines! (Your quarter drops, and the rumbling of engines is heard)

The checkered flag falls, and you're off! Picking your way around the barriers and skidding through the "fast"-curves! Speeding on the straightaways to beat your own previous time. The **EXCLUSIVE KEY** feature: the LAP-TIMER, kicks away!

You downshift, race around the switchbacks-fighting against time! Realistic engine, crash, skid & shifting sounds.

**"FORMULA K"** It's guaranteed you'll win - eventually!

## FEATURES:

- Most thoroughly-tested computer yet!
- 23" Motorola monitor!
